

Pierce County Homeowner's Association (HOA) Workshop

Stormwater System Maintenance and HOA Management

Does your HOA have a stormwater pond or other stormwater drainage system? Learn how to maintain your system.

Does your HOA need to be better organized? Learn how your HOA can work more effectively.

You are invited to attend a **free** workshop on stormwater system maintenance and HOA management.

During the workshop, residents will learn:

- Why stormwater system maintenance is important, how to identify a failing system, and basic stormwater system maintenance.
- How to protect your HOA's valuable stormwater system community assets, basic operational needs, and strategies for success.

When & Where

Wednesday, June 30 - Gig Harbor
Gig Harbor Civic Center
3510 Grandview St., Gig Harbor

Wednesday, July 28 - Sumner
Sumner Branch Library
1116 Fryar Ave., Sumner

Tuesday, August 31 -- Puyallup
South Hill Branch Library
15420 Meridian E., Puyallup

All workshops are 6:00 - 8:00 pm

For more information and to register for the free workshops, please contact:

Rosie Strom
Phone: 253-798-2485
E-mail: rstrom@co.pierce.wa.us

Registration is required. Seating is limited, so register early.

If available, HOAs will receive a copy of their engineered stormwater site plans. Register at least 1 week prior to the workshop to ensure a copy will be available at the workshop.
